## Discussion Questions

- This video taught us that God created human beings with amazing dignity. We can freely say Yes or No to God.  
**How do you think this freedom reveals our dignity?**
- As we read in the chapter, Saint Paul, like the religious sisters in the video, said Yes to God, and God did remarkable things with Paul's work in spreading the Gospel. **What about the religious sister's example of saying Yes to God has inspired you to do the same?**
- The Dominican sisters in the video encouraged their students to bring the faith into every aspect of their lives.  
**What part of your life do you still need to invite God and your faith into?**
