

“Jesus Loves Me” Song

Hand motions are in parentheses.

Jesus loves me this I know, (Jesus: point to Christ’s wounds in each hand; loves: hug self; me: point to self.)

For the Bible tells me so. (Bible: put hands in front together as if praying, then open like a book.)

Little ones to Him belong. (Little ones: rock arms back and forth as if rocking a baby.)

They are weak, but He is strong. (strong: hold both arms up like you are showing your muscles.)

Yes, Jesus loves me. (Jesus: point to Christ’s wounds in each hand; loves: hug self; me: point to self.)

Yes, Jesus loves me. (Jesus: point to Christ’s wounds in each hand; loves: hug self; me: point to self.)

Yes, Jesus loves me, (Jesus: point to Christ’s wounds in each hand; loves: hug self; me: point to self.)

The Bible tells me so. (Bible: put hands in front together as if praying, then open like a book.)
