

# Lenten Giving Project

Dear Parents and Guardians,

During the season of Lent, your child is learning about preparing their heart for Jesus through praying, sacrificing, and doing good deeds. Our class is going to gather supplies for \_\_\_\_\_, a local charity organization. Your child will be offering to help you with chores around the house to work for some items to donate. A list of items needed is at the end of the letter, as well as the charity's website. Please bring supplies to the classroom by \_\_\_\_\_. If you have any questions, please contact me.

Sincerely,

Items needed: \_\_\_\_\_
