

# Opening God's Love

Materials:

- One copy of the pattern (found on the teacher portal)
- Decorative paper

Write the words “God’s love” on top of one of the hearts. Wrap the heart in decorative paper and give the gift to a student. First, have one student put the gift aside. Explain that if we do not open the gift, it does us no good. Then give the gift to another student. Have that student open the gift. Explain that God’s gift of love is always there for us to receive. It is up to us to “open” the gift by listening and opening our hearts to God.
