

# Episode 1A: The Good News

---

**Run Time:** 3:20

**Suggested Viewing:** After reading Chapter 1 or Chapter 4

**Discussion Questions:**

- The crowd that gathered in Jerusalem was shouting for Jesus of Nazareth to be crucified. Cleopas fled and went to pack his things. Back in his room, Cleopas heard a faint voice ask, “Who do you say that I am?” **What might he have been thinking at that moment? How might he have answered that question about Jesus at that time?**
- Symeon arrives a short time after Cleopas and finds his friend packing all his “parchments.” These parchments seem to be Cleopas’ record of things he’s heard and seen Jesus say and do during his public ministry. **What sort of things would you expect a disciple who followed Jesus to have written down? What would have been most important?**
- Cleopas begins this video by saying he has “Good News that could change your life.” **What is it that’s *good* about the Good News of the Gospel of Jesus Christ?**
