

WORD ^{of} LIFE

Chapter 3

Lesson Enhancement Video: Creation: God's Gift of Love

- Start with personal experience: **Have you ever made something like Sam did?** (Answers may vary.)
 - **What did you make?** (Answers may include a sandcastle, an airplane, and a dollhouse.)
 - **What did you make it out of?** (Answers may include sand, wood, and building blocks.)
- Highlight the teaching point of the video: **What are some things that God creates?** (Answers may vary.)
 - **What does He create them out of?** (Nothing. When God made the universe, He made it out of nothing.)
 - **Can we create out of nothing?** (No. We can only make things out of something that God created.)
- Develop the teaching point of the video: **Do you ever look at God's creation and thank Him for all that He made?** (Answers may vary.)
 - **What is your favorite natural thing to look at?** (Answers may include a mountain, a cat, a sunset, and a forest.)
 - Encourage the students to enjoy God's creation, thank Him for all of His creation, and show their appreciation by taking care of creation.
