

Different Denominations Research

Choose a different Christian denomination to research (i.e., Lutheran, Methodist, Baptist, Anglican, etc.).

Research:

- The denomination's founder
- The date of its founding
- Its current leader

Compare your findings to the two marks of the Church you learned about: one and holy. Then answer the following questions:

- Can the denomination claim to have the mark of holy? Why or why not?
- Can the denomination claim to have the mark of one? Why or why not?

Make a report of your findings as a paper, poster board, or digital presentation. You will share your findings with the class.
