

WORD ^{of} LIFE

Chapter 4

Lesson Enhancement Video: God Created the World

- Start with the teaching point of the video: ***In the beginning, who created the world? (God.)***
 - ***Did God create the world out of something or nothing? (Out of nothing!)***
 - ***Is the world God created good? (Yes.)***
 - ***Can creation teach us about God? (Yes.)***
 - ***What is one thing creation teaches us about God? (Answers may include He is good, He is beautiful, He is powerful, and He cares for us.)***
- Make the video more personal: ***If God created this wonderful world, how do you think we should treat it? (Pause.) Do you think we should care for the earth or do whatever we want with it? (We should care for it.)***
 - ***Whom should we thank for this world? (God because He created it.)***

Small Wonders for Chapter 4: A Big Question

Lesson Link: God the Father and Creator, who created all things in love. Everything came from somewhere, and there are many theories about where we originally came from. But everyone agrees that everything came from somewhere. The limited knowledge of scientists and philosophers offers a few suggestions. As Catholics, we believe that God created us out of His great love for us.

- ***Where do you think human beings came from? (Answers may vary.)***
- ***What does the Bible tell us about where we came from? (God created us out of His great love for us.)***
